type. Including naval vessels of all classes

Leads in Big Guns. "In large gune, which includes eleven,

Germany's armament consists of elever none. The United States has plans pro-vided for twenty fourteen-inch guns. while Germany has none projected of this

In relation to the matter of the con-In relation to the matter of the constantly increasing size of ships and the caliber of the guns, Mr. Pulsifer said:

"Considering that it takes two or three years to build a battleship, there is nothing so 'progressive' as the mind of a naval architect. It takes a pretty alert mind to follow his. Before one ship is launched, and in the last case before the ships provided for last year are even commenced, greater tonnage and larger guns are contemplated. The next tonguns are contemplated. The next tonnage is likely to be 32,000 and the guns sixteen-inch. The United States, it will be recalled, provided last year for two twenty-seven-thousand-ton battleships which are to carry fourteen-inch guns and this is a larger caliber than carried by any other navy, except the thirty-two-Declares Superiority of Dreadnought thus not only discounting the other great powers, but our own naval program."

ROOT FINISHES FIRST IN SIX-DAY CYCLE RACE

Close Second—Distance, 2,545 Miles 3 Laps. Far Behind Record.

NEW YORK, December 10 .- Eddie Root of the Root-Moran team finished first tonight in the final mile dash that decided the six-day bicycle race at Madison Square Garden. His time for the mile was 3:56 1-5, and his distance for the six days, 2,545 miles 3 laps. Jackie Clarke of the Rutt-Clarke team

finished second by half a wheel, Joe Fogler of the Hill-Fogler team was third and Patrick Hehir of the Goulett-Hehir team fourth. By their victory Root and Moran divide \$1,600, the prize for first place. The record is 2,737 miles 1 lap, made by Macfarland and Moran in 1908.

Many Sprints During Day.

Slow as the pace this year shows in the average and totals, it was marked by bursts of furious sprinting. In the early hours while the weaker teams were being shaken out the riders were far ahead of all previous figures, but when the competition narrowed down to the of interest until penalties began to occur. Two veteran teams, Clarke MacFarthe reconstructed team of Rutt-Clarke, Rutt and Clarke once, and it was apparent from then on that the real struggle

aged. By hard sprinting they won back the lost distance early this morning, and the final dash at 9:56 tonight the pace slackened and the riders merely loafed around the wooden bowl, with only an occasional spurt by some tailender.

Brother of Revolutionary Leader Gives Out Information Indicating Widespread Discontent.

EL PASO, Texas, December 10.-Luther T. Ellsworth, United States consul at Cludad Porfirio Diaz, returned to Marfa ast night after an automobile tour of the border in the "Big Bend" country, south of Marfa and east of El Paso. He onfirmed the reports that several hunired Mexican families were refugees on the Texas side of the river and that Ojinaga. Zulatos and other towns along the border feared invasion by insurrectos, if, indeed, Ojinaga was not already in their

day, informing him that he must surrender, and advising him, "in the name of humanity," to send the women and children across the line into Texas. No Mexican troops were stationed at Ojin-

Mr. Ellsworth was accompanied on his tour of investigation by Immigration Inspector Otto Ming. Considerable suffering and some lawlessness are reported among the refugees.

Are Approaching Pedernales.

CHIHUAHUA, Mexico, December 9 (via El Paso, Tex., December 10).-Federal soldiers are now at Carreta and the insurrectos at Santa Isabel, forty miles apart. The insurrectos are within a few miles of Pedernales, where the Associated Press correspondent left them after a three-day trip with them. The correspondent counted 150 perfectly armed and equipped insurrectos in the

streets of Ranch yesterday. An equal number were reported scouting. In none of the towns along the border were any which accepted the penalty of two laps selves as the spark which will set the always imposed on new partners.
